I. INTRODUCTION

The following sections apply to those Town employees who are not covered by a collective bargaining agreement. Employees should note that this is intended for general information only. It does not, nor is it intended to, represent a contract for employment. Employment with the Town for Unaffiliated/Confidential positions is on an at-will basis. These provisions are not intended to be all-inclusive or inflexible. The Town reserves the right to change, add to or delete any of the provisions contained in this Overview at any time.

II. TRAINING

- A. In-Service Training. The General Manager shall encourage training programs to further the competence of employees. Department Heads shall be responsible for the training of individual employees in their departments, and may seek the advice and assistance of the General Manager or his designated representative regarding format, materials and procedures for training.
- B. Employee Development. Employees are encouraged to participate in suitable training programs to prepare themselves for advancement and to improve their ability to serve the public.
- C. Tuition Reimbursement. An employee, not covered by a collective bargaining agreement taking college courses in a job-related field of study, shall receive reimbursement for 75% of tuition costs and books when the school and the course or courses are approved in writing by the General Manager in advance, and the employee receives a "C" or better, ("B" or better for graduate work) in such approved course. Employees who leave the Town employ for any reason, except retirement, within three (3) years of being reimbursed under this section, shall have deducted from any payouts for which the employee is eligible under provisions of this Overview, the total amount of tuition received under this Section.
- D. Student Loan Repayment Assistance
Subject to approval of the General Manager yearly budgetary authorization by the Board of Directors, employees are offered an opportunity to apply for student loan repayment assistance. Under the program and subject to available funding, the Town will offer qualified employees a student loan repayment match of up to \$2,500 per year for a maximum of two years (\$5,000 total). To be eligible, employees must be actively paying their student loan and have completed at least one year of service with the Town. Applications for the program are subject to payment verification through the Human Resources Department.

III. HOURS OF WORK

- A. Work Day and Work Week. For regular full-time, salaried unaffiliated/confidential employees covered by this Overview, the normal basic work day shall be seven and one half (7 ½) hours scheduled between 7:00 a.m. and 10:00 p.m. according to individual Department's needs as approved by the General Manager with not more than one (1) hour for lunch. Those whose schedule calls for eight (8) hour shifts shall normally work between the hours of 7:00 a.m. and 10:00 p.m. with not more than one (1) hour for lunch. The basic workweek shall be five (5) days, Monday through Saturday. Heads of Departments whose program requires a different workday or workweek may apply for, and obtain in writing from the General Manager, an appropriate work schedule. Department/Division Heads are expected to work whatever hours are necessary to fulfill their responsibility to the Town. This means that there is no compensatory or earned time for Department/Division Heads.
- B. Overtime/Compensatory Time. Unaffiliated/confidential employees as allowed for by FLSA, who are required to work overtime, shall be granted extra pay or compensatory time off on a time and one-half basis and double time for Sundays and Holidays for any hours that exceed 40 hours per week. Overtime is not a matter for individual employee decision and option, and compensation or compensatory time will be granted only if the overtime work is properly authorized in advance. Employees eligible for overtime shall record through the payroll system compensatory time earned and compensatory time used. Employees authorized to receive compensatory time off shall not carry forward from one month to the next more than twenty-two and one-half (22.5) hours of such time.
- C. Probationary Period. The probationary period is the final step in the selection process and constitutes the final test of the candidate's fitness for employment.

All new appointments to regular full-time and regular part-time positions, including those made by promotion and transfer, shall be subject to a probationary period of one (1) year, except that the period may be longer or shorter, depending on the nature of the position, if approved in writing by the General Manager. All such appointees shall be referred to as probationary employees. The probationary period required represents a total cumulative service time, and days may be adjusted upward in order to allow for any authorized leaves of absence or breaks in service. Should any leave of absence or break in service be greater than two (2) months, the Town may require that the entire probationary period start again at the time the employee returns to work.

One (1) month before the end of an employee's probationary period, the Department Head shall submit to the General Manager, or the designated representative, a written performance report recommending regular status, dismissal, or extension of the probationary period for not more than three (3) months. Such report and its approval are absolute requirements for appointment to regular status and the privileges that accompany such appointment.

Employees shall have performance evaluations at least once a year, usually in June, and subsequent adjustments to their compensation, as appropriate, will be implemented the first pay in July if authorized in writing by the General Manager. For unaffiliated/confidential employees earning \$50,000 or more future increases will result solely from performance reviews and resulting merit increases. This merit based pay plan provides employees with eligibility for an annual merit increase between zero and four and one-half percent (0-4.5%) subject to yearly authorization by the Board of Directors. Employees who are at the maximum of their range will receive their merit increases in a lump sum, which would be considered salary for pension calculation purposes.

Unaffiliated/confidential employees earning less than \$50,000 may be eligible for annual merit as well as general adjustment increases each year subject to yearly authorization by the Board of Directors.

IV. FLEXIBLE SCHEDULE AND REMOTE WORK

Working a flexible schedule (Flex Time) is a privilege, not an employee right. Flexible schedules are not applicable for all work situations, and are subject to the approval of the General Manager.

Flex time schedules are not intended to alter the basic understanding that full-time staff are expected to work thirty seven and a half (37.5) or forty (40) hours per week, excluding lunch periods. Flex time schedules do not change normal attendance requirements.

Flex Schedule:

Core Hours: 9 a.m. to 3 p.m.

An employee may flex their schedule between 6:00 a.m. and 6:00 p.m. i.e. arrive at 7:00 a.m., take a 30 minute lunch break and leave at 3:00 p.m. All employees must be present during core hours.

An employee must take at least a 30 minute lunch break, which may not be taken at the end of the workday.

An employee must work at least seven and one-half (7 ½) or eight (8) hours per day, depending on their job description.

A flex schedule must be approved by the Department Head and will only be offered to employees in positions where approval of the schedule will not result in loss of customer service by the department.

All Department Heads must ensure that their departments have adequate coverage for hours of public operation. Any abuse of this benefit will result in the Department not being

eligible to participate in the flex schedule. The Town reserves the right to revoke flexible schedule work privileges at any time for any reason.

Department Heads are not eligible for compensatory time. Department Heads shall generally maintain the same office hours as their department's public hours of operation, and as members of upper management, shall devote such time as is required to perform his or her professional responsibilities as a Department Head and it is recognized that this will require the employee to devote a great deal of time in addition to the normal business hours of the Town.

Remote Work Policy

Eligible employees, with approval of Department Heads and the General Manager, may be eligible to work remotely for certain periods of time. Working remotely is a privilege, not an employee right, and not applicable for all work situations, and are subject to the approval of the General Manager. The Town reserves the right to revoke remote work privileges at any time for any reason.

V. DISCIPLINE

- A. The tenure of every employee shall be conditioned on satisfactory behavior and performance of duties.
- B. Disciplinary actions shall normally be progressive and corrective in nature. However, an employee may be suspended, demoted, or dismissed without prior warning when, in the judgment of the General Manager, the seriousness of the offense or other relevant considerations justifies such action.
- C. The Department Head shall be the authority for meting out discipline to all employees in his/her department. The Department Head may delegate authority to subordinate supervisory personnel to mete out penalties short of withholding pay increments. The General Manager shall be the authority for meting out penalties to employees at the Department Head level.
- D. All actions in which discipline is meted out will be recorded by the authority giving the penalty. Any action resulting in a written warning shall be forwarded to the employee with a copy entered in the employee's personnel folder.

Any action entailing the docking of pay or more severe discipline shall require that the Department Head or designee furnish the employee with written notification of the intended disciplinary action as soon as possible. This notification will contain the reasons for the action and the period of time for which the action is effective, if applicable. The Department Head shall furnish the General Manager with a copy and a copy shall be placed in the employee's personnel file.

- E. Disciplinary actions may be appealed through the grievance procedure as provided in these Rules.

VI. GRIEVANCES

- A. Grievable Actions. There shall be a procedure whereby actions taken by the Town in relation to any employee may be grieved. The following is a list of those actions which are grievable:

Violations of matters contained within the Employment Overview or an alleged breach of the Personnel Rules.

- B. Grievance Procedure. The following procedure shall be used by employees to pursue grievances against the Town:

The immediate supervisor must meet with the employee within five (5) working days of being informed of the grievance. This meeting will be for the purpose of resolving the grievance.

Step Two

If the aggrieved employee is dissatisfied with the Step One meeting, or if the Department Head is the employee's immediate supervisor, the employee must appeal in writing to the Department Head within five (5) working days of the event or receipt of the results of the Step One meeting, as applicable.

The Department Head must conduct a meeting with the employee and the employee's supervisor within five (5) working days of receipt of the written appeal. The purpose of the meeting will be to hear the issues and gather facts. The employee may be represented at this meeting by any other party of his/her choosing.

The Department Head must submit a written decision to the employee within seven (7) working days of the Step Two meeting. This decision shall include the reasons for the finding.

Step Three

If the aggrieved employee is dissatisfied with the Department Head's decision, he/she may appeal in writing to the General Manager or the Manager's designee within ten (10) working days of the receipt of the Department Head's decision.

The General Manager or designee must conduct a meeting with the employee and the employee's Department Head within ten (10) working days of receipt of the written appeal. The purpose of the meeting will be to hear the issues and gather facts. The employee may be represented at this meeting by any other party of his/her choosing. The General Manager or designee may have in attendance at the meeting legal representation or other staff members he deems necessary.

The General Manager must submit a written decision to the employee within ten (10) working days of the Step Three meeting. This decision shall include the reasons for the finding.

Step Four

If the aggrieved employee is not satisfied with the decision rendered by the General Manager or designee, he/she may, no later than ten (10) working days thereafter, request the Connecticut State Board of Mediation and Arbitration to mediate the grievance. Should mediation fail, the General Manager's or designee's decision will stand.

- C. Record of Procedure. All written decisions rendered in this process shall be placed in the employee's personnel file.

VII. TERMINATION OF EMPLOYMENT

A. Lay Off.

1. Reasons for Layoff. A Department Head, or other appointing authority, may, with the approval of the General Manager, lay off an employee whenever it is necessary by reason of shortage of work or funds, the abolition of the position, material change in the duties or organization of the department or agency, inability to perform work, or for other related reasons which are outside the employer's control and which do not reflect discredit on the service of the employee; and when it is impractical, impossible, or not in the best interest of the public service to meet the situation by transferring the employee.
2. Order of Layoff. The order of layoff will be determined by the General Manager or his designated representative.
3. Transfer. Transfer may be used as an alternative to layoffs in periods of a reduction of the workload of one department when there is a corresponding increase in the workload of another department. In utilizing the transfer procedure, consideration should be given

to the wishes of the employee or employees concerned, and such wishes should be used as guidelines insofar as is practical.

4. Re-employment. The names of employees laid off shall be placed on the recall or eligibility list in reverse order of lay off. This list shall be in effect for one (1) year from the date on which the layoff took place.

Accumulated sick leave is a benefit to the employee and shall only be utilized in the event of a personal illness or serious or disabling injury or illness. The Town provides no long-term disability insurance for its employees beyond the provisions of the Workers'

Compensation Act. It is therefore crucial that employees conserve as much of their sick leave accrual as possible in order to ensure against future need.

The Town reserves the right to discipline employees whose utilization of sick leave is not in accordance with the terms of this Agreement. Evidence of misuse of sick leave includes, but is not limited to: Patterns of sick leave use on Mondays and Fridays; use of sick days immediately preceding or following holidays; and use of sick days in conjunction with vacations or other approved leaves of absence. Employees are required to utilize sick leave in accordance with the provisions contained herein for a personal illness or a serious or disabling personal illness or injury, except use of said leave is not allowed where the injury or illness is sustained in the employment of another employer or which is traceable to such employment. The department shall be notified by the employee whenever he/she is unable to attend to duties because of illness not later than fifteen (15) minutes after the start of the employee's regularly scheduled workday unless departmental rules state otherwise.

To verify proper use of sick leave, employees shall be required to provide the Town with an acceptable medical certificate on a prescribed form and signed by a licensed physician or other practitioner whose method of healing is recognized by the State of Connecticut to support a request for sick leave during annual leave; for a period of absence in excess of five (5) consecutive working days or for any duration of absence from duty recurring frequently or habitually, provided that the employee has been previously notified in writing that such a certificate may be required; and to support a request for sick leave on a day which the employee had previously requested to use annual leave time and the request had been denied and also may be required to provide such certificate for any misuse of sick leave which exceeds a total of five (5) days per calendar year in the sole discretion of the Town. This benefit shall cease at the end of one (1) year from the date of the original injury or if the employee reaches maximum medical improvement prior to that date or if the employee is not eligible to receive Workers' Compensation payments. Employees, while out of work pursuant to the provisions of this section, shall not be eligible to accumulate leave time including but not limited to holiday, sick or annual leave. Absences due to alleged job-connected injuries are charged against sick leave until the Town's Workers' Compensation Administrator determines that they are in fact compensable.
5. Additional Sick Leave. The General Manager may grant an additional consecutive sick leave with pay in exceptional cases. This shall not exceed six (6) days for each year of full time employment in public service with the Town. Request for such additional sick leave shall be submitted in writing to the employee's Department Head who shall transmit it with a written recommendation to the General Manager within five (5) days. Additional sick leave with pay, if granted by the Town, shall be deducted from future accumulated sick leave at the rate of six (6) days per year. Said deduction shall begin after the employee has earned six (6) days of sick time per year and this method of reimbursement shall continue until the deficit is exhausted.

There shall be no payout of sick leave accruals for anyone hired on or after July 1, 2004.

- b. Upon Resignation In the event that a current employee's services to the Town are terminated in good standing, he/she shall receive, on the basis of unused, accumulated sick leave, a payout up to forty-five (45) days based on final annual base rate of pay.

Employees hired after September 1, 1995 who resign in good standing, after seven (7) years of employment with the Town, shall receive a payout of up to forty-five (45) days based on an average of their last three (3) years of base salary.

E. Reimbursement for Unused Annual Leave/Carryover of Annual Leave.

At the end of each calendar year, Department and Division Heads governed by this Overview, who have not used all their Annual Leave for the year in which it was earned may request payment, at the employee's current base rate of pay, at the discretion of the General Manager for unused leave time for as many as seven (7) days per calendar year.

Other unaffiliated/confidential employees may request payment at the employee's current base rate of pay, at the discretion of the General Manager for up to five (5) annual leave days per year, if the workload in their department/division is such that using the vacation time allotted is not possible in that calendar year. Employees who receive compensatory time off shall not be eligible for this benefit.

Such carryover is not cumulative and at no time shall the amount of leave carried forward exceed a total of fifteen days, without the written permission of the General Manager. F. Maternity Leave.

Maternity leave shall be provided in accordance with state and federal law. Employees in good standing who comply with the provisions of this Section may resign or take maternity leave as provided below:

An employee who is going out on maternity leave and wishes to return to her same position must so notify the department head, in writing, prior to the last scheduled

workday. An employee on maternity leave of absence is eligible to use paid sick leave in accordance with the sick leave provisions of this Agreement except they may opt to keep one (1) week of Annual Leave. An employee who exhausts unused, accumulated sick leave will be carried on leave of absence without pay for the balance of the maternity leave period. Such employee shall have up to ninety (90) days from the date of birth of the child to return to work. Before the expiration of the leave, application may be made to the General Manager of the Town for extension of said leave. Extensions shall normally only be granted as a result of medical complications of the birth. Such extension is in the sole discretion of the General Manager. If the application for extension is denied or if the employee decides not to return after the 90-day period, she may request to the General Manager that she be placed on a reemployment list for a period not to exceed two (2) years. During the two-year period of time, should a vacancy occur in the department where the employee last worked and should the vacancy be in a position which the employee previously occupied and should the employee be qualified to perform the work as required without further training, then the employee shall be certified to the appointing authority for consideration.

Should the employee, after electing to be placed on the reemployment list, decide to withdraw all money due her from the Town's Pension Plan, then the individual shall be considered as a new employee if and when she is reemployed. This shall include receiving the starting salary for the position as well as receiving no credit in terms of seniority, annual leave accrual rate, or sick leave balance. Any unused, accumulated sick time paid out shall be deducted from any future available unused, accumulated sick time eligible to the employee upon retirement or termination.

Should the employee not withdraw the money in the Pension Plan due her and be reemployed under the provisions of this Section, then she shall be credited for the years of service she had prior to being placed on the reemployment list. The individual shall receive a salary that is closest to the salary she was receiving at the time she went on the reemployment list. Any unused, accumulated sick time paid out shall be deducted from any future available unused, accumulated sick time eligible to the employee upon retirement or termination.

G. Family Medical Leave Act.

The Town of Manchester has implemented and complies with the federally mandated Family Medical Leave Act, which may coincide with or supersede some of the aforementioned sections. The full policy is available in Human Resources. Where other provisions of this Overview, e.g. Maternity Leave, Workers' Compensation, provide for the same or similar coverage, this FMLA provision will be considered to run concurrently.

- H. Demands of Another Governmental Agency. A regular employee will be granted leave of absence with pay, not to be deducted from sick leave or annual leave allowance for the purpose of meeting the demands of another governmental agency. Demand by a governmental agency shall mean the following:
1. Jury duty.
 2. Any required appearance before a court or other public body that is related to Town employment.
 3. Participation in short-term (15 days or less) military training in the Federal Reserve or National Guard. Any compensation received by the employee for this appearance or service shall be deducted from his salary.
- I. Professional Development Leave. A regular employee may be granted a leave of absence with pay to attend professional conferences or take courses of study, which the General Manager determines will contribute to, or increase the employee's knowledge with regard to the betterment of public service. Such approval will be granted only where budgetary provision has been made or if the employee has agreed to pay the cost. Such leave of absence with pay shall not be deducted from the employee's accumulated leave.
- J. Military Leave. There shall be no limit on military leaves provided that the employee reports back for work within ninety (90) days after discharge from the service in the case of active duty and within one (1) working day in the case of reserve duty.
- K. Unpaid Leave of Absence. Leaves of absence without pay may be granted to regular employees on recommendation of the Department Head with the approval of the General Manager for not longer than one (1) year. Requests for such leave without pay shall be made in writing to the Department Head and shall include a statement of the reasons therefore and of the length of leave requested.

Any employee who is on leave of absence without pay shall not be paid for any holiday or sick leave during the period of absence. Any annual leave time due an employee at the time of taking a leave of absence without pay may be paid at that time. Authorized unpaid leaves of absence for one (1) month or less will not be used as a basis of reducing employee's benefits.

With the approval of the General Manager, a Department Head may reinstate an employee from a leave of absence without pay to the position formerly held by that employee, if it is vacant. If the position is not vacant, the employee may be reemployed in any position of a comparable nature that is vacant. If no such position is vacant or exists, the employee may, at his/her discretion, be placed in a position of a lower grade provided such a position is vacant, until a position at the former grade becomes available.

- L. Stipends. Stipends, one time merit increases and buy-backs shall be considered as salary for the purpose of pension calculations.

M. Paid Parental Leave

Employees with at least one year of service are eligible for up to six (6) weeks of Paid Parental Leave (PPL). PPL is available to new parents who need time to bond with a new child entering their life either by birth, adoption, or foster care placement. This leave must be taken within the first year of the child's birth, adoption, or foster care placement.

During the leave period, the employee shall be paid 100% of her or his base wages for the first two (2) weeks, and 50% of base wages for the remaining four (4) weeks. Employees shall be eligible to use any accrued leave in order to receive compensation up to 100% of base pay during the weeks reimbursed at 50%. This paid leave will run concurrently with and count towards other leaves for which the employee may be eligible, including the federally mandated twelve weeks of Family and Medical Leave Act (FMLA).

N. Bereavement Leave

Employees are eligible for five (5) working days' leave without loss of pay for the purposes of bereavement for a spouse or child/step-child; three (3) days for parent, sibling, grandparent, grandchild; and one (1) day for spouse's parent, sibling, grandparent or employee's niece, nephew, aunt, or uncle.

O. Donation of Time
