PREAMBLE

This Agreement is entered into by the Town of Manchester, hereinafter referred to as the “Town,” and the Manchester Police Officers Association, hereinafter referred to as the “Union,” has, as its purpose, the promotion of harmonious relations between the Town and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences; and establishment of rates of pay, hours of work, working privileges or benefits or any other matters that come within the general meaning of the terms, working conditions or conditions of employment as provided for in the Municipal Employee Relations Act.

ARTICLE 1 – RECOGNITION

Section 1. The Town recognizes the Union as the sole and exclusive bargaining agent for all full-time, permanent investigatory and uniformed employees of the Police Department with authority to exercise police powers, up to and including the rank of Lieutenant.

ARTICLE 2 - PROBATIONARY PERIOD

Section 1. All new employees shall be subject to a probationary period for one (1) year in addition to time spent attending State-required certification programs and Department field training programs for entry level Police Officers. The probationary period required represents a total cumulative service time, and days may be adjusted upward so as to properly allow for any authorized leaves of absence or other approved breaks in service. Probationary employees shall be subject to all terms and conditions of this Agreement except that during their probationary status they may be disciplined or discharged without appeal through the grievance procedure and without following the procedures specified in Article XVIII and shall be assigned shifts at the sole discretion of the Chief of Police or his designee. Probationary employees shall be considered as part of any manpower requirements of this Agreement after completion of their Field Training Officer Program.

The employee’s performance shall be evaluated periodically during such probationary period and at least ten (10) days prior to the end of the employee’s probationary period, the Chief of Police shall submit to the General Manager, or his designated representative, a written performance report recommending permanent status, dismissal or extension of the probationary period for not more than six (6) months, unless further extended by agreement of the parties. The employee shall be notified not less than five (5) days prior to the end of the probationary period of the General Manager’s decision subject to any incidents occurring between the date of notification and the end of the probationary period. In any extension of the probationary period, the Chief of Police shall submit to the General Manager, or his designated representative, a written performance report recommending permanent status or dismissal at least ten (10) days prior to the end of said extension.

Section 2. All promoted employees shall be subject to a probationary period of one (1) year from their date of promotion. During this probationary period, such employees shall be subject to all terms and conditions of this Agreement except that during their probationary status they may be assigned to various shifts at the sole discretion of the Chief of Police, or his designee, for the purposes of supervised training. Employees shall have the option during this probationary period of voluntarily returning to their former position in the Department without loss of seniority or accruals. This probationary period shall not apply to employees who are promoted from eligibility lists active before July 1, 1999, for the duration of those lists, including any extensions.

The performance of promoted employees shall be evaluated periodically during their probationary period utilizing trained departmental evaluators, as designated by the Chief of Police, and the evaluation process currently in place and as referenced in Chapter 35, Section 1 of the Manchester Police Department General Orders.

At least ten (10) days prior to the end of the employee's probationary period, the Chief of Police shall submit a written report to the employee recommending permanent status or specifying cause for removal from the promoted position. The employee who is recommended for removal from his/her promoted position shall be eligible to appeal the decision through the Grievance Procedure specified in Article 17 of this Agreement through Step Two. An employee who has been removed from a promoted position due to failure to successfully complete his/her probationary period shall be restored to his/her former position in the Department without loss of seniority or accruals.

ARTICLE 3 - UNION SECURITY

Section 1. All present employees within the bargaining unit who are members of the Union on January 1, 1987 shall, as a condition of employment, remain and/or become members of the Union and all employees covered herein, who are hired after the date of January 1, 1987 who do not voluntarily join the Union, shall, as a condition of employment, pay to the Union each month during the life of this Agreement, or any extension hereof, a service charge for collective bargaining, grievance processing, and in all respects, the administration of this Agreement, in an amount which does not exceed the regular monthly Union dues and/or other applicable fees, as provided in this Article.

Section 2. The Town agrees to deduct Union membership initiation fees, assessments, and in the first two (2) pay periods of each month dues from the pay of those employees who individually and in writing authorize such deductions. The amounts to be deducted shall be certified to the Town by the Treasurer of the Union and the aggregate deductions of all employees shall be remitted, together with an itemized statement, to the Treasurer of the Union after such deductions are made. The obligation of the Town for funds - actually deducted under this Article terminates upon the delivery of the deductions so made to the person authorized to receive such amounts from the Town. Neither any employee nor the Union shall have any claim against the Town for errors in the processing of such

deductions unless a claim for error is made in writing to the Director of Finance within sixty (60) days after the date of such deduction.

Section 3. In the event an employee receives no pay on the payday on which Union dues are deducted, no deductions shall be made for that pay period.

Section 4. When an employee's dues are not deducted by reason of the conditions described in Section 3 of this Article or by reason of an extended absence from the Department, during which time he is not paid, and such employee returns to active duty, it shall be the responsibility of the Town to reactivate the deduction of his dues.

Section 5. Union Indemnification - The Union shall indemnify, defend and save the Town harmless against any and all claims, demands, suits or other forms of liability (monetary or otherwise) and for all legal costs that shall arise out of or by reason of action taken or not taken by the Town in complying with the provisions of this Article. If an improper deduction is made, the Union shall refund directly to the employee only such amount.

ARTICLE 4 - MANAGEMENT RIGHTS

Section 1. The Town has and will continue to retain, whether exercised or not, all of the rights, powers and authority heretofore had by it and, except where such rights, powers and authority are specifically relinquished, abridged or limited by the provisions of this Agreement, it shall have the sole and unquestioned right, responsibility and prerogative of management of the affairs of the Town and direction of the working forces, including, but not limited to the following:

- (a) To determine the care, maintenance and operation of equipment and property used for and on behalf of the purposes of the Town.
- (b) To establish or continue policies, practices and procedures for the conduct of Town business and, from time to time, to change or abolish such policies, practices or procedures.
- (c) To discontinue processes or operations or to discontinue their performance by employees.
- (d) To select and to determine the number of types of employees required to perform the Town's operations.
- (e) To employ, transfer, promote or demote employees, or to lay off, terminate or otherwise relieve employees from duty for lack of work or other legitimate reasons when it shall be in the best interests of the Town or the Department.

- (f) To prescribe and enforce reasonable rules and regulations for the maintenance of discipline and for the performance of work in accordance with the requirements of the Town, provided such rules and regulations are made known in a reasonable manner to the employees affected by them.
- (g) To insure that incidental duties connected with departmental operations, whether enumerated in job descriptions or not, shall be performed by employees.
- (h) To establish contracts or subcontracts for municipal operations provided that this right shall not be used for the purposes or intention of undermining the Union or of discriminating against its employees. All work customarily performed by the employees of the bargaining unit shall be continued to be so performed unless in the sole judgment of the Town it can be done more economically or expeditiously otherwise.

The above rights, responsibilities and prerogatives are inherent in the Board of Directors, the General Manager and the Chief of Police by virtue of Statutory and Charter provisions. Such rights may not be subject to review or determination in any grievance or arbitration proceeding, but the manner of exercise of such rights may be subject to the grievance procedure described in the Agreement.

ARTICLE 5 - NONDISCRIMINATION

Section 1. Neither the Town nor the Union shall discriminate against any employee covered by this Agreement in a manner which would violate any applicable laws because of race, creed, color, national origin, age, sex, handicap, religious belief, political affiliation or sexual orientation.

Section 2. Whenever the male gender is used in this Agreement, it shall be construed to include equally both male and female employees.

ARTICLE 6 - NO STRIKE-NO LOCKOUT

Section 1. No Strike - During the life of this Agreement, neither the Union nor any officers, agents, or employees will instigate, promote, sponsor, engage in or condone any strike (including sympathy strike), slowdown, concerted stoppage of work or any other intentional disruption of the operations of the Town, regardless of the reason for so doing.

Section 2. No Lockout - During the term of this Agreement, the Town will not instigate a lockout over a dispute with the Union so long as there is no breach of Section 1 of this Article.

ARTICLE 7 - SENIORITY

Section 1. The seniority rights of all employees of the Department shall be based upon length of service in rank in the Manchester Police Department and shall be determined from the day such employee or employees were officially appointed as a regular employee of a given rank.

Section 2. When a layoff is necessary within a particular rank, the employee with the least seniority in the given rank shall be the first laid off. Such employee may exercise his seniority in the next lower rank, provided that the employee has served in said rank until the rank of Police Officer is reached. Thereafter, the first person laid off shall be the individual with the least department-wide seniority.

Section 3. An employee laid off from a particular classification shall have the right to recall within that classification by seniority for one (1) year following layoff provided the employee is able to perform the duties of the job. Employees on the recall list shall have precedence over other employees or applicants on promotional lists or open competitive lists. The Police Chief or his designee shall give two (2) weeks' notice to the employee at his last known address regarding the vacancy in the classification by certified mail, return receipt requested. The employee so notified must inform the Police Chief's office of his/her desire to return to that classification within one (1) week of his receipt of notification.

Section 4. An employee being recalled will take a physical examination at Town expense to ensure the employee is physically capable of performing the job-related functions of the position he/she is being recalled to fill.

Section 5. The Town may conduct a background investigation on any employee being recalled.

Section 6. Seniority shall not be broken by vacations, sick time, suspensions or any approved leave of absence or any call to military service for the duration.

Section 7. Employees who may resign voluntarily, or who may be discharged for just cause, shall lose all seniority.

Section 8. Rank seniority is defined as the total length of continuous service as a permanent appointee to a given rank.

Section 9. Whenever more than one (1) person is appointed to the Department on the same day, the seniority of each individual as it relates to others appointed the same day, shall be determined by their relative positions on the entrance examination, with the greatest seniority being granted to the individual standing highest on the list amongst those appointed and so on down in that order.

Section 10. The following constitutes the rank of this Article; Patrolman, Detective, Sergeant and Lieutenant.

ARTICLE 8 - HOURS OF WORK

Section 1. The regular workweek shall be forty (40) hours per week, eight (8) hours per day, five (5) consecutive days per week with two (2) consecutive days off at the end of each such forty (40) hour workweek.

Section 2. A work period shall consist of four (4) consecutive workweeks. A shift year shall consist of thirteen (13) consecutive work periods (52 weeks).

For the Patrol Division, the Department shall maintain six (6) such working periods, viz. Mid-nights: 11:00 P.M. - 7:00 A.M.; 12:00 Midnight - 8:00 A.M.; Days: 7:00 A.M. - 3:00 P.M., 8:00 A.M. - 4:00 P.M.; and Evenings: 3:00 P.M. - 11:00 P.M., 4:00 P.M. - 12:00 Midnight.

The PAR Officer(s) shall work three work periods: 8:00 A.M. - 4:00 P.M.; 3:00 P.M. - 11:00 P.M., or 6:00 P.M. - 4:00 A.M. Such work periods shall be scheduled at least ten (10) days in advance, with special assignments scheduled as soon as possible.

The School Resource Officer(s) and full-time Officer(s) assigned to the Cops and Kids or comparable program shall work two (2) work periods: 7:00 A.M. - 3:00 P.M.; or 8:00 A.M. - 4:00 P.M. during the school year. Such work periods shall be scheduled at least thirty (30) days in advance, with special assignments scheduled as soon as possible. During summer non-school portion of the year, these Officer(s) may be assigned to work on shifts as deemed appropriate by the Chief of Police, or his designee, with such work periods scheduled at least thirty (30) days in advance, with special assignments scheduled as soon as possible. Such shift assignments shall be made based on a seniority pick among these Officers, and shall not affect any previously scheduled vacations by regular shift Officers.

The Community Resource Officer(s) shall work two (2) work periods: 8:00 A.M. - 4:00 P.M. or 12:00 P.M. to 8:00 P.M. Such work periods shall be scheduled at least ten (10) days in advance, with special assignments scheduled as soon as possible.

Section 3. Employees' two (2) consecutive days off shall advance one (1) calendar day per work period. Consecutive days off for PAR Officers shall advance each work period as follows: Sunday/Monday - Sunday/Monday - Saturday/Sunday. The consecutive days off for School Resource Officer(s) and full-time Officer(s) assigned to the Cops and Kids or comparable program shall be Sunday/ Saturday during the school year. During the summer non-school portion of the year, these Officer(s) consecutive days off may be changed, depending upon assigned shift.

Section 4. All twenty-eight (28) day working day periods shall commence on Sunday at 12:01 A.M. and conclude four (4) calendar weeks later at 12:00 midnight on Saturday.

Section 5. An employee shall work the hours of the work period to which he is assigned for a bid period subject to the provisions of Section 6 of this Article. Personnel who may be transferred to another division, or promoted, or attending training schools, shall be an exception to this Section.

Section 6. Once designated and in the manner provided for in Section 3 of this Article, an employee's regular days shall not be changed during the work period without the express approval of the employee except under the following conditions:

- (a) Should the Chief of Police or his designee determine that a Patrol shift is inadequately staffed and creating operational difficulties due to the termination, resignation, retirement, long-term illness or injury of Police Officer(s) on a particular Patrol shift, the Chief of Police or his designee shall meet with the Union to discuss the problem and plans to remedy the shortage prior to taking any action.
- (b) If the Chief of Police or his designee determine that it is necessary to have Patrol Officers change shifts in order to correct the problem, the following method shall be utilized:
 - (1) The Chief of Police or his designee shall request volunteers to change shifts from those Patrol shifts which the Department determines are not experiencing a shortage of manpower. Volunteers shall be assigned based upon length of seniority with the Department.
 - (2) Should an insufficient number of Police Officers volunteer to temporarily change shifts, then the Chief of Police or his designee may order Police Officers to change shifts, based on inverse seniority, from shifts which the Department determines are not experiencing a shortage of manpower, provided that the first shift change in each work period which the Department would otherwise make by the issuance of an order, will instead be accomplished by paying overtime to available Patrol Officers.
- (c) Any changes in a shift implemented pursuant to this Section shall remain in effect until the next scheduled shift change, at which time manpower requirements will be reevaluated. Nothing stated herein shall require the Chief of Police or his designee to make such shift changes.
- (d) No non-probationary Police Officer will be forced to change shifts more than twice (2) a year.

- (e) For the purposes of this Section only, an Officer scheduled on a shift at the commencement of a work period with less than fifteen (15) Police Officers available for duty, shall not be subject to the provisions contained herein.

Section 7.

- (a) The Town agrees to continue to have no less than six (6) patrol cruisers, not counting the supervisor(s), at the level of Sergeant or above, and Traffic Unit Officers, on duty for all shifts, except between the hours of 4:00 P.M. and 4:00 A.M. when seven (7) cruisers, not counting the supervisor(s), at the level of Sergeant or above, and Traffic Unit Officers, shall be on duty. Police Area Representative Officers, School Resource Officers, Officers assigned to the Cops and Kids or comparable program, Community Resource Officers, and Traffic Unit Officers shall only be counted as manpower when relieved of their special assignment by their respective supervisors and placed under the control of the shift supervisor of the affected shift. This provision does not allow for the scheduled hours of such Officers to be changed.
- (b) Any event that lasts more than one (1) day which is planned and which requires coverage for eight (8) or more hours, which will bring the manpower below six (6) cruisers, will be staffed by overtime personnel. Minimum manpower shall be six (6) cruisers, not counting the Supervisor and Traffic Units.

Section 8.

- (a) Subject to the approval of the Chief of Police, or his designee, planned absences for Patrol Officers shall be authorized when shifts have available to work one (1) position more than eight (8) persons per shift, except that planned absences may be authorized when shifts have available eight (8) persons to work not less than thirty (30) minutes before the start of any shift. In addition, paid days for PAR Officers will be on demand.
- (b) If at any time the Department authorizes overtime to increase the number of Officers assigned to work on a certain shift, then said number of Officers assigned, including the Officers on overtime, shall be considered the limit for that shift to which planned absences can be authorized, rather than the limit stated in Section 8(a) above.
- (c) Planned absences for Sergeants shall be granted down to one (1) position per shift.

Section 9. At the discretion of the Chief of Police, or his designee, an eight (8) hour shift between the hours of 6:00 P.M. and 4:00 A.M. may be assigned on a monthly basis with the shift complement not exceeding eight (8) officers during the term of this Agreement.

Officers working this shift shall be counted as part of minimum manpower for the hours of the Evening Shift or the Midnight Shift that they actually are working.

Officer assignments for this shift shall initially be through the use of volunteers, with selection of volunteers alternating between the most senior volunteer and selection by the Police Chief or his designee in the following manner:

- 1) First selection by seniority
- 2) Any remaining selections shall be made on a one to one alternating basis between seniority and the Chief's selection.

In the event that there are insufficient volunteers assignments may be made by inverse seniority excluding probationary employees. An employee shall not be assigned by the Department (non voluntary) to this shift for more than one (1) consecutive bid period. All other assignments shall be on a month-to-month basis.

Section 10. Patrol Shift Bidding.

- (a) Patrol Officers assigned to the Patrol Division shall bid for shifts and beats in order of their seniority within the rank of Patrol Officer. There shall be a minimum of eight (8) bid slots for Patrol Officers on each of the three shifts (day shift, evening shift and midnight shift). Bidding shall be conducted in November for the following shift year which shall consist of four bid periods. The shift slots shall be picked prior to any swaps being granted. All Patrol Officers not assigned through the bidding process shall work rotating shifts, with rotation every three (3) months during the shift year.
- (b) Newly appointed Patrol Officers shall be required to work each of the shifts on a rotation schedule during the probationary period. Rotation shall be every three (3) months during the shift year. Thereafter, they will be assigned to a vacant position on a squad, as determined by the Chief, or his designee, for the remainder of the bid period. They shall be eligible for shift bid during the following bid period.
- (c) Patrol Sergeants assigned to the Patrol Division shall bid for shifts in the order of their seniority within the rank of Patrol Sergeant. Two of the available slots for each shift shall be open for bidding. Bidding shall be conducted in November for the following shift year which shall consist of four bid periods. The shift slots shall be picked prior to any swaps being granted. All Patrol Sergeants not assigned through the bidding process shall work rotating shifts, with rotation every three (3) months during the shift year.
- (d) Patrol Lieutenants assigned to the Patrol Division shall bid for shifts in the order of their seniority within the rank of Patrol Lieutenant. Bidding shall

be conducted in November for the following shift year, which shall consist of four bid periods.

- (e) After bidding has been completed, the Chief of Police, or his designee, will have the latitude to adjust initial days off in order to balance daily staffing levels on each shift.
- (f) Once the bidding process and any adjustments have been completed, an employee's shift shall be considered permanent for the bid period, except that swaps may be allowed as follows:
 - (1) Swaps for a duration of seven (7) consecutive days for vacation requests shall be allowed within the same rank with the approval of the Shift Commanders or designees and must conform to Article 12.
 - (2) Swaps within the same rank shall be allowed for shorter periods of time with the approval of the Shift Commanders or their designee.
 - (3) Nothing herein shall prevent the Chief of Police, or his designee, from approving swaps for special circumstances.

Section 11. Whenever more than three (3) school posts, per day, are staffed by on-duty personnel, employees, if available, shall be called in to staff any additional school posts. Employees shall be paid time and one-half (1½) for actual time on duty.

Section 12. Effective August 9, 2000, the hours of work for new employees attending the Police Officers Standard Training Academy shall coincide with the hours in which mandated, formal training takes place within said Academy. While in attendance at said Academy, employees shall be paid on a salary basis and shall not be eligible for any payments specified in Article 9 of this Agreement.

Section 13. Any other provision of this Agreement notwithstanding, an employee may work a maximum of twenty (20) contiguous hours and must have a minimum of four (4) hours off duty prior to returning to work. "Work" includes all hours for which an employee is paid by the Town, is paid for extra duty, or is eligible to receive compensatory time. An exception to this provision may be authorized by the Chief or his/her designee.

Each officer is responsible to ensure that he does not accept an overtime or private duty assignment which, when combined with his regularly scheduled hours, conflicts with the twenty-hour maximum work rule.

ARTICLE 9 – OVERTIME

Section 1. Compensation for all overtime duty, except as provided for below, shall be paid at the rate of time and one-half (1½) for all hours worked or any portion thereof in excess

of eight (8) hours per day or forty (40) hours per week when such time is authorized to be worked by the supervisor. For the purposes of this section, "hours worked" shall not include sick time and shall not include full shifts (eight hours) of compensatory time. Compensatory time off at the rate of time and one-half (1½) may be granted by the Department in lieu of paid overtime with the approval of the Chief or his designee. The substitution of compensatory time for paid overtime must be requested and approved in writing prior to the work being performed. Employees will make good faith efforts to request to use compensatory time within a reasonable period after earning such time, and such request for leave shall not be unreasonably denied, taking into consideration the staffing and operational concerns of the Department.

Maximum allowable accrual of compensatory time granted in lieu of overtime or for other purposes shall be not more than one hundred twenty-five (125) hours except as provided below. For employees who have more than one hundred twenty-five (125) hours of time accrued as of the date of implementation of this 2010 Agreement or issuance of an arbitration award in Case 2011-MBA-277, the deadline for those employees to reduce their balances to the maximum one hundred twenty-five (125) hours shall be in accordance with the following schedule:

Employees who have 200 or more but less than 300 hours accrued as of the date of implementation of this 2010 Agreement or issuance of an arbitration award in Case 2011-MBA-277, shall have until January 1, 2013 to reduce their balances to 125 hours.

Employees who have 300 or more but less than 400 hours accrued as of the date of implementation of this 2010 Agreement or issuance of an arbitration award in Case 2011-MBA-277, shall have until October 1, 2013 to reduce their balances to 125 hours.

Employees who have 400 or more hours accrued as of the date of implementation of this 2010 Agreement or issuance of an arbitration award in Case 2011-MBA-277, shall have until June 30, 2014 to reduce their balances to 125 hours.

At the sole discretion of the Town, compensatory time accumulated by an employee in excess of twenty-four (24) hours as of the 31st of May of each year may be paid at the employee's then current rate of pay during the first pay period in June.

Section 2. Employees required to work on their regular day(s) off, whether for a full eight (8) hours or less, shall be paid not less than one (1) full day's pay at the rate of time and one half (1½). On Thanksgiving Day, the minimum callback pay is four (4) hours at time and one-half (1½). Exception to this Section, that when an employee on his regular day off is called back to duty to search for a lost person or when a large amount of the employees of the Department are called to duty in an emergency and the duration of the call-out is less than four (4) hours, that employee shall be paid four (4) hours pay at time and one-half (1½), if over four (4) hours, actual time on duty at time and one-half (1½).

The provisions of this Section shall prevail for any overtime performed during the following off-duty time periods:

- (a) 11:00 P.M. - 7:00 A.M.
12:00 Midnight - 8:00 A.M. shift
From 7:00 A.M. - 11:00 P.M. or
from 8:00 A.M. - 12:00 Midnight on the day preceding
the regular day off.
- (b) 3:00 P.M. - 11:00 P.M.
4:00 P.M. - 12:00 Midnight shift
From 11:00 P.M. - 3:00 P.M. or
from 12:00 Midnight - 4:00 P.M. of the first working
day following the two regular days off.
- (c) 7:00 A.M. - 3:00 P.M.
8:00 A.M. - 4:00 P.M. shift
From 3:00 P.M. - 11:00 P.M. or
from 4:00 P.M. - 12:00 Midnight on the day preceding the first regular day
off, or from 11:00 P.M. - 7:00 A.M. or 12:00 Midnight - 8:00 A.M. on the
first working day following the regular day off.

Section 3.

- A. When an employee is required to return to duty to perform overtime duties on a regular working day, he shall be paid not less than three (3) hours at time and one-half (1½).
- B. If a large amount of the employees of the Department are called to duty to search for a lost person or in case of an emergency, an employee called back shall be paid overtime in accordance with Section 1 of this Article only for the actual number of hours he has worked.
- C. Employees who at the request of the Chief of Police, or his designee, voluntarily return to work during off hours to attend Department-sponsored meetings, shall be reimbursed a minimum of three (3) hours at the applicable overtime rate or, if the meeting exceeds three (3) hours, for a minimum of four (4) hours at the applicable rate.

Section 4. Except as otherwise provided herein, the Town will continue to make reasonable efforts to make overtime opportunities available on a non-preferential basis to employees qualified to perform the work within the Division of the Police Department requiring the work, taking into consideration the diverse nature of assignments within the various Divisions of the Department and the need at times to have continuity in assignments for the purpose of properly completing investigations or other Police activities or in specialty assignments.

Should an officer be bypassed for overtime by error or omission, that officer will be offered the next similar assignment for which he or she is available. This procedure shall be in lieu of access to the grievance and arbitration procedure. There shall be no monetary compensation by the Town for such error. The Union retains the right to grieve and arbitrate any claim that an office has been bypassed for overtime intentionally or based on favoritism.

Section 5. Patrol Officer shift overtime to meet minimum manpower requirements will be offered first (1st) to Patrol Officers on the affected shift, on their regular scheduled day off, by seniority; second (2nd) to Patrol Officers on other patrol shifts, on their regular schedule day off, by seniority; and third (3rd) to all other Patrol Officers (regardless of assignment) by seniority.

Section 6. The term “Patrol Supervisor” shall include both Sergeants and Lieutenants. Patrol Supervisor overtime shall be offered in the following order:

- a. If a Patrol Lieutenant position must be filled, the overtime shall be offered first to Patrol Lieutenants on the affected shift, on their regularly scheduled day off, in order of seniority; second to Patrol Lieutenants on other shifts, on their regularly scheduled day off, in order of seniority; third to all available Lieutenants, by seniority. If no Patrol Lieutenant accepts the overtime, it shall be offered to Patrol Sergeants, in the order indicated below.
- b. If a Patrol Sergeant must be filled, the overtime shall be offered first to Patrol Sergeants on the affected shift, on their regularly scheduled day off, in order of seniority; second to Patrol Sergeants on other shifts, on their regularly scheduled day off, in order of seniority; third to all available Sergeants, by seniority.

Section 5. Employees may take their vacation leave, in accordance with schedules established by the department head, starting January 1, and shall be completed by December 31. The department head may, however, limit the number of employees on vacation at any time because of the operating requirements of the Department and may further provide that no employee may take more than two (2) consecutive vacation weeks, ten (10) working days, during the months of July, August and December. In unusual circumstances, upon written request to the Chief of Police, submitted in a reasonable length of time prior to said request, an employee may be granted four (4) weeks' vacation, twenty (20) consecutive working days, at any time of the year. All vacations start on Sunday and end on Saturday. Employees with four (4) weeks earned vacation time may take any number of those days of the fourth week, one (1) day at a time, provided they are submitted to the Chief of Police in a reasonable amount of time and in writing and are approved by the Chief of Police.

Two (2) Police Officers on each shift will be allowed vacation at the same time. A third Officer will be allowed vacation with the approval of the Chief of Police.

Section 8. Lieutenants and Sergeants Vacation Selection. One (1) Lieutenant or Sergeant on each shift will be allowed vacation at one time. Lieutenants shall select ahead of Sergeants and the employees of both ranks shall be governed in their selections by rank seniority.

Section 10. No vacation leave shall be accumulated by employees who are absent from duty on special leave of absence.

Section 11. Employees may accumulate unused vacation to a maximum of one (1) year earned vacation time plus ten (10) days.

ARTICLE 13 - SICK LEAVE

Section 1. Accumulated sick leave is a benefit to the employee. The Town provides no long-term disability insurance for its employees. It is therefore crucial that employees conserve as much of their sick leave accrual as possible in order to ensure against future need. A permanent employee shall be entitled to sick leave with pay of one and one-quarter (1¼) days for each full month of employment, with no limit to the amount of unused sick leave that can be accumulated. The Director of Finance shall notify in writing the amount of accumulated sick leave due an employee at the beginning of the calendar year.

Section 2. The Department shall be notified by the employee whenever he is unable to attend his duties because of illness not later than two (2) hours prior to the scheduled workday.

Section 3.

- A. An officer who is on authorized leave due to injuries or other disability sustained in the performance of his/her work shall, if eligible for Workers' Compensation payments, receive the difference between his/her regular weekly pay and the allowance for Workers' Compensation. The Town's liability for supplemental

Workers' Compensation payments pursuant to this Section shall cease at the end of eighteen (18) months or at the time the employee's treating physician determines that maximum medical improvement has been achieved, whichever comes first. At the conclusion of eighteen (18) months, the Town, at its expense, may request that the employee be evaluated by a physician to address the issue of the likelihood that the employee will be able to return to full duty within a reasonable time, not to exceed an additional six (6) months. Should the Town's physician and the treating physician differ as to this issue, then a third physician, agreed to by the Town and treating physician, shall evaluate the employee and his/her opinion shall be conclusive as to the issue of the likelihood that the employee will be able to return to full duty. In addition, the supplemental Workers' Compensation payment shall cease if the employee resigns, retires or is terminated. Any accruals for any type of leave shall cease at the time the supplemental payments end. Functional capacity exams may be used by the Town to address the question of maximum medical improvement or likelihood of return to full duty, as provided for herein, or where an Officer has an orthopedic or muscle-related injury and requests accommodation under the American with Disabilities Act.

- B. Employees, while out of work due to a job-related injury, shall be required to report to work for training sessions as scheduled by the Department, provided they are not prohibited from attending such sessions for medical reasons.

Section 4. The General Manager, in his sole discretion, may grant additional, consecutive sick leave with pay in exceptional cases. Requests for such additional sick leave shall be submitted in Writing to the Chief of Police or his designee, who shall transmit the request with a written recommendation to the General Manager. Additional sick leave with pay, if granted by the Town, shall be deducted from future accumulated sick leave at the rate of eight (8) days per year. Said deduction shall begin after the employee has earned seven (7) days of sick time per year and this method of reimbursement shall continue until the deficit is exhausted.

Employees who have been granted additional sick time prior to the signing of the Contract, shall have the option of paying back the time owed in one payment out of their unused, accumulated sick time or may pay back the time according to the system described above. Affected employees shall notify the Town in writing of the method they prefer to pay back the time within thirty (30) days after the Contract is signed. Employees granted days off under this Section who have not reimbursed the Town for said days, shall have the outstanding balance deducted from any future requests for additional sick leave or from any payout of vacation and/or sick leave due at the time of resignation or retirement.

Section 5. If an employee uses up all of his regular sick leave and his additional sick leave, he may apply for a special leave of absence without pay.

Section 6. Payments on Retirement.

A. Employees Hired Prior to July 1, 2005.

Upon retirement, as defined by the Town of Manchester's Supplemental Pension Plan, an employee with at least twenty-five (25) years of service with the Manchester Police Department, and/or who is age fifty (50) or above, may either receive payment for any of his unused, accumulated sick leave up to ninety (90) days on the basis of an average of his last three (3) years of base salary, or exchange compensation for which they are otherwise eligible in increments of forty-five (45) days for an additional one percent (1%) added to his normal retirement benefit, as specified within the Supplemental Pension Ordinance, not to exceed two percent (2%). The additional percentage purchased shall not count toward eligibility for any benefit and shall only be for benefit-accrual purposes. Employees retiring with less than twenty-five (25) years of service with the Manchester Police Department, or on a disability pension, or less than age fifty (50) may only receive payment for any of his unused, accumulated sick leave up to ninety (90) days on the basis of an average of his last three (3) years of base salary.

Employees, who subsequently resign their employment with the Town, shall not be eligible for payout of unused, accumulated sick time if they have less than ten (10) years of service with the Town. Employees who resign with more than ten (10) years of service shall be eligible to receive, on the basis of an average of their base pay for the last three (3) years, compensation for any of their unused, accumulated sick leave up to forty-five (45) days, provided the employee has given a two (2) week written notice to the department head. In the event of an employee's death, his spouse and minor children, or his estate in the event that there are no surviving spouse or minor children, shall receive compensation for any of the employee's unused, accumulated sick leave. There shall be no payout for unused, accumulated sick leave for any employee who is discharged.

The Town may make payments due for sick leave under this Article in three installments – one at the time of retirement, and the next two in the month of July in the two fiscal years after retirement.

B. Employees Hired On or After July 1, 2005.

Upon retirement, as defined by the Town of Manchester's Supplemental Pension Plan, an employee with at least twenty-five (25) years of service with the Manchester Police Department, and/or who is age fifty (50) or above, shall receive payment for fifty percent (50%) of his unused, accumulated sick leave up to forty-five (45) days on the basis of an average of his last three (3) years of base salary.

Employees, who subsequently resign their employment with the Town, shall not be eligible for payout of unused, accumulated sick time if they have less than ten (10) years of service with the town. Employees who resign with more than ten (10)

years of service shall be eligible to receive, on the basis of an average of their base pay for the last three (3) years, compensation for fifty percent (50%) of their unused, accumulated sick leave up to twenty-two and one-half (22.5) days, provided the employee has given a two (2) week written notice to the department head. In the event of an employee's death, his spouse and minor children, or his estate in the event that there are no surviving spouse or minor children, shall receive compensation for fifty percent (50%) of the employee's unused, accumulated sick leave. There shall be no payout for unused, accumulated sick leave for any employee who is discharged.

The Town may make payments due for sick leave under this Article in three installments – one at the time of retirement, and the next two in the month of July in the two fiscal years after retirement.

Section 7. When an employee is on sick leave and a holiday falls during such sick leave, the holiday shall not be charged against the sick leave allowance. Instead, the employee shall be charged with the holiday.

Section 8. Employees who are expectant mothers shall report to the Chief of Police as soon as there is medical verification that there is any limitation on the employee's ability to perform her duties. The personal physician of the expectant mother shall determine if the employee has any physical limitations as a result of the pregnancy and this information shall be forwarded to the Chief of Police. Thereafter, the Town's medical advisor shall remain in close contact with the employee's physician to determine if additional physical limitations have been brought about by the pregnancy. A functional review of the employee's work assignments shall be made by the Chief of Police to determine the appropriateness of the Officer to continue in her present assignment. The date for leaving work shall be determined by the Chief of Police after his review and after consultation with the employee, unless the employee's physician has determined that for medical reasons the employee must leave work on a date earlier than that set by the Chief of Police. The Chief of Police shall make a reasonable effort to transfer a pregnant employee to a suitable temporary position within the Police Department. The Chief of Police shall have sole discretion to determine if such assignment is available. Should an employee desire to leave work earlier than the date determined by the Chief of Police for other than medical reasons, then the individual shall be required to request vacation leave or leave without pay. Employees who take vacation leave or leave without pay shall have their sick leave commence from the date the employee's physician determines that the employee, for medical reasons, should have stopped work.

An employee who wishes to return to her same position must so notify the Chief of Police, in writing, prior to the last scheduled workday. An employee on maternity leave of absence is eligible to use paid sick leave in accordance with the sick leave provisions of this Agreement for that period of time that the individual's doctor certifies that the employee is medically incapable of performing the duties of the position. When any unused, accumulated sick leave is exhausted and the employee is still medically unable to return to work, the employee will be carried on leave of absence without pay for the

balance of the maternity leave period. Such employee shall have up to ninety (90) days from the birth of the child to return to work. Before the expiration of the leave, application may be made to the General Manager of the Town for extension of said leave. Extension shall be granted only as a result of medical complications of the birth as determined by the employee's and the Town's physician. For any other reason(s), it shall only be granted at the sole discretion of the General Manager. If the application for extension is denied, for reasons other than medical complications of the birth, or if the employee decides not to return after the 90-day period, she may request to the Chief of Police that she be placed on a reemployment list for a period not to exceed two (2) years. Should a vacancy occur during the two-year period of time in a position which the employee previously occupied, then the individual's name shall be certified to the Chief of Police. The Chief of Police has the option of selecting the individual or requesting that the position be opened to competitive examination. The Chief of Police is not obligated to select the individual to fill the particular vacancy. It is the responsibility of the individual to notify the Town's Human Resources Department if there should be a change of address or name during the two-year period of time.

Should the employee, after electing to be placed on the reemployment list, decide to withdraw all money due her from the Town's Pension Plan, then the individual shall be considered as a new employee if and when she is reemployed. This shall include receiving the starting salary for the position as well as receiving no credit in terms of seniority for previous time worked. Any unused, accumulated sick time paid out shall be deducted from any future available unused, accumulated sick time eligible to the employee upon retirement or termination.

Should the employee not withdraw the money in the Pension Fund and be reemployed under the provisions of this Section, then she shall be credited for the years of service she had prior to being placed on the reemployment list. The employee shall receive a salary closest to the salary she was receiving when she went on the reemployment list. Any unused, accumulated sick time paid out shall be deducted from any future available unused, accumulated sick time eligible to the employee upon retirement or termination.

Section 9. An acceptable medical certificate on the prescribed form and signed by a licensed physician or other practitioner whose method of healing is recognized by the State of Connecticut, will be required of an employee to substantiate a request for sick leave for the following reasons:

- (a) For any period of absence in excess of five (5) consecutive working days;
- (b) To support a request for sick leave during annual vacation;
- (c) For leave of any duration if absence from duty recurs frequently or habitually, provided that the employee has been notified that a certificate will be required.
- (d) When evidence indicates reasonable cause for requiring such a certificate.

- (e) To support a request for sick leave on a day which the employee had previously requested to use vacation, personal leave, or earned time, and the request had been denied.

Section 10. In addition, the General Manager or his designated representative may make provision for a physician other than the employee's family doctor to make a further examination.

Section 11. All sick leave shall be recorded in the attendance records of the Director of Finance. Such records shall reflect the current amount of accumulated sick leave, the amount and date when the sick leave was taken, and the current balance available to each employee.

Section 12. Employees who are on authorized leave due to temporary illness or injury, personal or work-connected, which is expected to last longer than ten (10) working days, shall, in a timely manner, present to his or her physician the Temporary Limited Disability (TLD) explanation package and release form attached to this Contract as Appendix D. Employees shall request that their physician complete the release forms as soon as they are capable of performing temporary limited duty or have reached maximum medical improvement, whichever occurs earlier. The completed release form should be submitted to the Chief of Police as soon as possible after completion by the treating physician, and after concurrence by the Town's physician, the employee shall be required to return to a TLD assignment within the sworn service of the Police Department if release for such work is indicated on the form. The nature of the assignment and duration shall be at the discretion of the Chief of Police, taking into consideration the temporary physical restrictions of the employee as identified by the treating physician.

Section 13. The intent of this provision is to permit the return to work as soon as is medically possible of employees who are affected as set forth in the above paragraph. Employees shall make every effort to encourage their treating physician to allow them to return to work at the earliest possible time. Nothing herein shall affect the Town's rights under applicable Workers' Compensation Statutes. Further, the parties understand that TLD assignments are assignments other than normal outside police duties, and it is not the intent that said assignments are to be of a make work or permanent nature. Employees who at any time are determined to be unable to perform the essential functions of their position on a permanent basis shall not be eligible to receive or continue to receive a TLD assignment.

Section 14. Employees on a TLD assignment who would otherwise be eligible to receive Workers' Compensation payments shall have such time on said assignment count toward eligibility to receive Supplemental Workers' Compensation payments as provided for in Article 13, Section 3.

ARTICLE 14 - FUNERAL LEAVE

Section 1. In the event of death in the immediate family of an employee, or the immediate family of his or her spouse, each employee shall be granted special leave not exceeding three (3) working days with pay between the date of death and the date of the funeral inclusive, and for the purpose of arranging for, or attending any such funeral and wakes associated therewith. A permanent employee may be granted leave of absence with pay of up to five (5) days by the Chief of Police to attend professional conferences or take courses of study for which there is no expense to the Town. Any such conference or course of study which exceeds five (5) days off must be approved by the General Manager. The Chief of Police or General Manager, as the case may be, shall take into consideration whether the conference or course of study will contribute to or increase the employee's knowledge with regard to the betterment of public service and whether budgeting provisions have been made.

Section 5. An employee who has any consecutive period of ninety (90) days of perfect attendance, commencing the first of the month following a chargeable break in attendance, shall be eligible for one (1) earned day to be taken at the convenience of the employee with

the approval of the Chief of Police. An employee who has four (4) consecutive ninety (90) day periods of perfect attendance shall be eligible for an additional earned day. Perfect attendance shall mean reporting for work on time ninety (90) consecutive days, beginning the first of the month following a break. An employee who is injured in the course of his employment during any consecutive ninety (90) day period, not to exceed a total of one (1) consecutive day, shall be eligible for one (1) earned day in that consecutive ninety (90) day period.

In the event that any employee terminates his service with the Department, having given two (2) weeks' written notice, or dies, he is entitled to be paid for up to five (5) unused, accumulated earned days at the time of termination. In the case of death, payment shall be made for all unused, accumulated earned days to his spouse or minor children, or his estate in the event there are no surviving spouse or children. The payment under this Section will require the approval of the Chief of Police and will be predicated on the inability of the Police Officer to take the time off during the course of employment due to manpower requirements.

Employees hired after July 1, 1988 shall be required to have a consecutive period of one hundred and twenty (120) days of perfect attendance, in lieu of the ninety (90) days stated above and shall be required to have three (3) consecutive one hundred and twenty (120) day periods of perfect attendance in order to be eligible for an additional earned day, all other provisions of this Section shall apply to employees hired after July 1, 1988.

Any vacation time due an employee at the time of taking a leave of absence without pay may be paid at that time, but no additional vacation time will be

Section 10. A permanent employee may be granted up to five (5) days paternity leave with pay if taken within three (3) weeks of the date the child arrives at the employee's home. Said leave shall be charged as sick leave. Requests for such leave must be approved by the Chief of Police.

Section 11. Demands of Another Government Agency. A permanent employee will be granted a leave of absence with pay, not to be deducted from sick leave or vacation allowance for the purpose of meeting the demands of another governmental agency. Demand by a governmental agency shall mean the following:

ARTICLE 25 - RATES OF PAY

Section 1. The rates of pay for all employees are as set forth on the salary schedules of Appendix C. Payment of the rates in Appendix C is retroactive to the date specified, for purposes of salary and departmental overtime, but not Extra Duty. Retroactive payments shall be made only to those actively employed on the date of implementation of this Agreement.

If at any time it is determined that probationary employees attending the Police Officers Standard Training (POST) Academy are not salaried employees and eligible for and receive overtime payments, then such Officers shall have their base compensation adjusted for their first year of employment, so that the combination of any overtime earned while at POST and their base salary shall not exceed the contractually-agreed to annual salary for the position for that first (1st) year of employment.

Section 2. Any employee receiving an Associate Degree in Police Science shall receive an additional five hundred dollars (\$500.00) per year above the basic pay schedule and any employee receiving a Bachelor's Degree in Law Enforcement or related field shall receive an additional eight hundred dollars (\$800.00) per year above the basic schedule and any employee receiving a Graduate Degree in Law Enforcement or related field shall receive an additional nine hundred dollars (\$900.00) per year above the basic schedule, payable in two (2) installments in December and June.

Present employees receiving degree pay will continue to receive those payments. Any present employee who has an Associate Degree in Law Enforcement and is presently receiving payment for it who is enrolled in a Bachelor's program which does not meet the Law Enforcement or related field requirement, shall receive pay for said degree when awarded. Employees who leave the Town employ for any reason, except retirement, within three (3) years of being reimbursed under this Section, shall have deducted from any pay-outs for which the employee is eligible under Article 11, Section 6; Article 12, Section 9; Article 13, Section 6, the total amount of tuition reimbursement received under this Section. Any employee who is not eligible to receive payouts shall be required to repay the Town directly. Authorization to deduct monies from final pay will be sought from the employee and/or payments shall be made by the employee directly to the Town on a mutually agreed schedule.

Section 3. Those employees enrolled in a Bachelor's or Master's Degree program in Criminal Justice or who are majoring in Criminal Justice in a school which does not offer a Criminal Justice Degree or who are enrolled in a Police Science; Police Administration; Psychology, Sociology, Municipal Government and Administration or Public Administration, Bachelor's or Master's Degree program; or courses which in the sole discretion of the General Manager directly relate to the Police Officer's current assignment, shall be eligible to receive reimbursement for seventy-five percent (75%) of tuition costs and books when the school and course or courses are approved in advance and the employee receives a "C" or better ("B" or better for graduate work) in such approved course. Employees taking courses in Law School shall not be eligible for said reimbursement except for Criminal Law, Rules of Evidence and Constitutional Law courses. The General Manager's decision as to whether a course(s) is eligible for reimbursement is not subject to the provisions of the grievance procedure. Notification of intent to take courses and requests for approval must be made with enough advance notice so that money can be properly budgeted for this expense. If employees opt for this tuition reimbursement, they will not be eligible for college degree incentive pay upon obtaining either an Associate Degree or Bachelor's Degree or Graduate Degree. The degree programs identified herein shall also be used to determine eligibility for payment of degree

pay as specified in Section 2 of this Article. Degree pay being received by Officers, pursuant to Section 2 of this Article as of the date this Contract is signed, shall not be affected by this provision. Employees who leave the Town employ for any reason, except retirement, within three (3) years of being reimbursed under this Section, shall have deducted from any pay-outs for which the employee is eligible under Article 11, Section 6, Article 12, Section 9 and/or Article 13, Section 6, the total amount of tuition reimbursement received under this Section. Any employee who is not eligible to receive payouts shall be required to repay all tuition reimbursement received if the employee leaves the Town's employ for any reason other than layoff within three (3) years of being reimbursed under this Section. Authorization to deduct monies from final pay will be sought from the employee and/or payments shall be made by the employee directly to the Town on a mutually agreed schedule.

Section 4. Longevity. Each employee, except as provided below, shall receive longevity pay in accordance with the following schedule:

10 years	\$200.00
15 years	\$300.00
20 years	\$500.00

Longevity payments shall be paid in two (2) installments - November and May each year, and each year thereafter.

Employees hired after July 1, 1999, shall not be eligible to receive this benefit.

Section 5. An employee who, at the time of initial employment has obtained certification by POST and has work experience with another law enforcement agency which is deemed by the Chief of Police to be comparable with the job of an Officer in the Manchester Police Department, may be hired at up to Step 4 of the wage scale for Police Officers based on the individual's years of such experience.

An employee who is certified as a police officer in another state and has work experience with another law enforcement agency which is deemed by the Chief of Police, to be comparable with the job of an Officer in the Manchester Police Department, may be advanced to up to Step 4 of the wage scale for Police Officers based on the individual's years of such experience. This advancement shall not take place until the Officer has obtained certification by POST.

The Chief shall have the sole discretion to evaluate the comparability of the employee's work experience and to determine the appropriate step placement, not to exceed Step 4, and that decision shall not be subject to the grievance and arbitration procedure of this Agreement.

ARTICLE 26 - WORKING OUT OF CLASSIFICATION

Section 1. To assure the orderly performance and continuity of services, the Chief of Police, or his designee, at his discretion, may elect to temporarily upgrade Officers on an acting basis to position of higher rank. Nothing herein shall require the Department to make a temporary upgrading or change the existing practice of Rank Officers assuming additional responsibilities within their existing rank and pay schedule to compensate for a temporary position vacancy. For the purpose of this Article, it is understood that temporary upgrading may be authorized and made in order to fill or compensate for temporary position vacancies which may exist for any of the following reasons: A position is permanently vacant and is scheduled to be filled by a regular commissioned Officer, and time is required so as to proceed with and complete the normal selection and appointment procedure, or the position is temporarily vacant, although permanently filled, because the Officer currently assigned to it is on approved leave of absence for an extended period of time other than normal vacation or training.

Section 2. It is not the intent of the Town to circumvent or avoid the normal appointment or promotion process, and therefore the Town agrees that it shall not use temporary upgrading for this purpose.

Section 3. The various provisions of this Article shall apply to temporary position vacancies involving the bargaining unit positions' classifications of Police Sergeant, Police Lieutenant, (and the non-bargaining position of Police Captain) if a bargaining unit employee is to be assigned to fill the position.

Section 4. The selection of an Officer for temporary upgrading may be made from within the entire Police Department. Such selection shall be made by and at the sole discretion of the Chief of Police, taking into consideration the applicable promotional eligibility list; the knowledge, skill and ability requirements of the position to be filled; and the qualifications, job performance, and seniority of those Officers eligible for the temporary upgrading.

Section 5. No Officer shall be temporarily upgraded more than one (1) rank.

Section 6. When Police Officers are temporarily upgraded to and acting in the next higher classification, they shall be eligible to receive temporary upgrade pay at the rate of that next higher classification for the total duration of their temporary upgrading assignment. Officers and Detectives shall receive Sergeant's pay and Sergeants shall receive Lieutenant's pay and Lieutenants shall receive Captain's pay.

ARTICLE 27 – SUBSTANCE ABUSE TESTING

Section 1. Basis for Testing. Administration of screening tests to detect the presence of drugs or alcohol in members of the Department shall be performed in the following circumstances:

- a) on a random basis;
- b) upon reasonable suspicion that an employee is using or is under the influence of illegal drugs, is abusing legal drugs, or is reporting for duty under the influence of drugs or alcohol.

An employee may be required to undergo testing based on "reasonable suspicion" when objective facts and observations are brought to the attention of a superior officer and, based upon the reliability and weight of such information, the superior officer can reasonably infer or suspect that the member is using illegal drugs, is abusing legal drugs, or is reporting for duty under the influence of drugs or alcohol. Reasonable suspicion must be supported by specific facts which may include, but are not limited to: reports and observations of the member's drug related activities, such as purchase, sale or possession of drugs, associations with known drug dealers or users, observations of the member at known drug or drug related locations; an otherwise unexplained change in the member's behavior or work performance; an observed impairment of the member's ability to perform his or her duties.

If the employee is ordered to submit to a drug and/or alcohol test, the employee shall be given a brief verbal statement of the basis for reasonable suspicion. A verbal directive to submit to a drug and/or alcohol test shall be confirmed in writing, but the testing shall not be delayed pending issuance of such written directive.

Section 2. Testing Procedures. Testing shall be performed by a licensed laboratory or by non-bargaining unit personnel who are trained and certified to perform testing. In the case of alcohol testing by breathalyzer, a bargaining unit employee in a higher rank than that of the employee being tested may conduct the test at the direction of the Chief or his designee. Testing will be done with due regard to chain of custody as well as the employee's rights to privacy and Union representation.

Testing for alcohol shall be by breathalyzer and, if positive, there shall be a confirming test after fifteen (15) minutes. Testing for drugs shall be by urine testing.

For urine testing, the sample will be split into two parts. An employee whose drug test results in a positive report may, within forty-eight (48) hours of receiving notification of such result, request in writing to the Chief of Police that the second part of the sample be made available for re-testing at a licensed or certified laboratory of the employee's choosing. The second part of the sample shall be transferred to that laboratory in such manner as to ensure proper chain of custody. The second test performed at the employee's request shall be at the expense of the employee. If the second test is negative, the positive test shall be null and void and the Town shall reimburse the employee for the cost of the second test.

Section 3. Interference With or Refusal to Submit to Testing. Any alteration, switching, substituting or tampering with a sample or test given under this Agreement by any employee shall be grounds for immediate suspension and subsequent disciplinary action which may include dismissal. The refusal by an employee to submit to a drug or

alcohol screening test pursuant to the provisions of this Article, or to cooperate in providing information needed in connection with the testing, shall result in the employee's immediate suspension without pay and subsequent disciplinary action which may include dismissal.

Section 4. Rehabilitation. The opportunity for rehabilitation (rather than discipline) shall be granted once for any employee who:

- (a) voluntarily admits to alcohol or drug abuse prior to testing, or
- (b) tests positive for alcohol or abuse of legally prescribed drugs for the first time.

The employee shall use accumulated sick or vacation leave for the period of any absence for the purpose of rehabilitation. All treatment will be at the sole expense of the employee, to the extent not covered by the employee's health benefits plan. As part of any rehabilitation program, the employee may be required to undergo periodic screening for drugs or alcohol. If, after screening, the employee has tested positive, he will be immediately suspended and will be subject to discharge.

Nothing in this Article shall preclude disciplinary action against an employee who is involved in any drug/alcohol related misconduct.

Section 5. Consequences of Positive Test. The consequences of a positive test shall be as follows:

- 1) For use of an illegal drug - discharge.
- 2) For abuse of a legally prescribed drug - one opportunity for rehabilitation, then discharge.
- 3) For alcohol (at the level of .04 or above) – one opportunity for rehabilitation, then suspension on the next offense, then discharge for the third offense.

ARTICLE 28 - DURATION

Section 1. This Agreement shall take effect on signing by both parties, except where a retroactive date is specified, and shall remain in effect until June 30, 2017.

This Agreement may be amended at any time by mutual agreement or upon any anniversary of said Agreement by giving the other party not less than one-hundred twenty (120) days' written notice of intention to propose such amendment. Within thirty (30) days of receipt of such notice by either party, a conference shall be held between the Town and the Union for the purpose of such amendment, modification, or termination.

GROOMING POLICY

I. OBJECTIVE

The Manchester Police Department is primarily a uniformed service-oriented public agency. A need for well-groomed appearance by all personnel is fundamental to achieve public confidence and acceptance. Without public confidence and acceptance, our ability to function effectively is seriously impaired. Reasonable grooming regulations are also necessary in order to maintain discipline, which is the foundation of effective police operations. It is essential for the police who deal with the whole community to not represent either by appearance or deed any of the extremes of our society. It is also important for us to uphold the police image at all times by looking our best. The wearing of bizarre, exotic, advanced or nostalgia hairstyles is not likely to project a positive image of the police service or inspire confidence in our ability to effectively carry out our duties.

II. POLICY

It will be the policy of the Manchester Police Department to require a neutral and reasonably uniform appearance of the men and women who symbolize law and order in the community.

III. STANDARDS

The following regulations will apply to all sworn personnel regardless of assignment. Personnel performing plain clothes functions are not excluded from these regulations.

Exotic (full Afro, Mohegan, etc.) hair styles are prohibited. Hair shall be evenly trimmed at all times while on duty. The maximum extension of the hair outward from the top of the head will be two inches (2"). The maximum extension from the sides of the head will be two inches (2"), provided that hair shall be gradually tapered and such that it otherwise gives an overall even appearance. Officers' hair shall not extend below the mid-part of the officer's shirt collar while the officer is in a standing position. The sideburns will extend no lower than on a line with the bottom of the ear lobe.

APPENDIX B (cont'd)

Beards are authorized provided that the officer intending to grow a beard shall notify his shift commander in writing at least one (1) week in advance of growing said beard. Maximum length of the beard shall be no more than one inch (1") at any given place. The beard shall be maintained in a trim and sanitary condition, acceptable to the respective division commander and shall not hinder the use of any police equipment and shall be so worn as not to interfere with the safety of the police officer.

Mustaches are authorized if well trimmed. Fu Man Chu, Kaiser Wilhelm and other exotic styles that curl downward around the lips and upward toward the eyes are prohibited.

IV. EXCEPTIONS

The aforementioned standard does not apply to officers in undercover operations and so authorized by the Chief of Police or the designee of the Chief of Police.

The Chief of Police may order the removal of beards and/or mustaches for personnel assigned to emergencies where facial hair will interfere with the proper use of issued special equipment (i.e., gas masks) for the term of that emergency.

V. INSPECTIONS AND ENFORCEMENT

Shift supervisors and other immediate supervisors will be held strictly accountable for conducting periodic inspections to insure full compliance with the standards outlined above on the part of their subordinates.

APPENDIX K

INTERNAL AFFAIRS INVESTIGATIONS

The Police Department shall continue to have a bargaining unit employee assigned to do internal affairs investigations. However, in exceptional circumstances, such investigations may also be performed by non-bargaining unit personnel. Such exceptional circumstances shall include those where:

- a) the officer to be investigated is at the rank of Captain or above;
- b) the regularly assigned IA officer has a conflict of interest, such as a personal or family relationship, which makes it inappropriate for him/her to conduct the investigation.

APPENDIX L

CANINE OFFICERS

The Town and the Union agree that the following shall apply to all Canine Officers, effective as soon as practicable following the signing of this 2005-2009 Agreement:

- Canine Officers count as manpower for patrol staffing, and be included in Patrol Officer shift overtime as 'Patrol Officers' under Article 9, Section 5.
- Canine Officers work an eight (8) hour shift as provided in Article 8, Section 1.
- One Canine Officer will be assigned to each of the three shifts -- day, evenings, and midnight shifts. This provision shall not be deemed a "minimum staffing" provision, and the Department shall not be required to hire overtime when there is no Canine Officer on a shift.
- Each Canine Officer will be paid four (4) hours overtime, per week, as a stipend for caring for the dog.
